## VISION

India becomes one of the top three most preferred destinations in the World. *Believe it or not India is still an unexplored Country.*

Tourism in every district of India. *The diversity of culture, languages, terrain, geography and history existing in India is mind boggling. One life is not enough to experience it.*

To be a pioneer and a leader in Experiential tourism by guiding people to discover places while discover themselves

Rekindling pride in Indians and in foreigners alike by creating awareness about our Vedic sciences and the spirituality and its impact on culture and modern sciences.

## DISCOVER A NEW YOU WHILE EXPLORING NEW PLACES

Zubilant is the unique travel division, part of Stuti Tourism Pvt Ltd that creates magic on its tours. Be it location, service or experience. Tourism with us is more than just travelling. It is experiencing unchartered unexplored facets of life itself and thus discovering the real you.

Sachin Mehta, the Managing Director of Stuti Tourism Pvt Ltd and the conceiver of ZUBILANT – Promoter of Experiential Tourism. He, on completing his Travel and Tourism Management Studies in 1992 and after having working for established tourism organizations such as SOTC, UVI Holidays and Citylink Airways. In his 25 years of professional experience his contribution to innovation in tourism such as experiential tourism and in transformational tourism is noteworthy.

He has discovered that India today is still and unexplored experiential tourist Country. Heritage, archaeology, spiritual and Vedic tourism are unchartered terrain by most travel and tour operators. Most operators have ignored or oblivious to its vast potential in many respects. This unchartered course has vast scope to develop Indian tourism not only abroad but also in India itself. It is his constant endeavour to deliver these experiential tours with innovation and dedication.

Since 2015 Sachin is part of Business Experts in Leisure and Travel & Tourism at United Nations Economic Commission for Europe / UNCEFACT & AFACT\* TT&L Working Group. Currently working in DTI (Destination Travel Information), SLH (Small Lodge Houses) and on Vitalization and Revitalization of a touristic destination.

*\*UN/CEFACT is an important intergovernmental body of UNECE that works on a global level to improve the ability of business, trade and administrative organizations, from developed, developing and transitions economies, to exchange products and relevant services effectively. Its focus is on facilitating national and international transactions, through the simplification and harmonization of processes, procedures and information flows, thus contributing to the growth of global commerce.*

In last eighteen years over eight lack customers of all age groups have had an experiential tourism through us.

Book your ticket for the stadium to let your travellers enjoy live international matches (tickets always to be required in advance and subjected to availability).

Where: **Maharashtra\*, Delhi\*, main cities of India**

*\* for friendly matches*

## Culture

India: the cradle of all worldwide countries, the oldest culture, the deepest tradition, the most eclectic mix of culture, a World itself, not just a Country!

Tourists will experience and feel this mean for India, tour of temples and holy places with in accurate explication of Indian culture, symbolism, traditions and ritualism. Very linked to our Rural Tours, where the visitor have the unique chance to explore and understand Indian culture from its original shape. Cultural tours are specifically planned to let the tourist spend more time in direct contact with locals (NGO and volunteering experiences, ashram experience, monasteries experience and rural tours are the best options for this target).

Where: **All over India.**

*Travellers, moved by a great motivation to discover and understand India's root and deepest sides, will be travelling in local and interregional trains, accommodating in homestays and in villages' local houses, will eat local homemade food, flanked by our experts. The ideal traveller is conscious of Indian uses and costumes, therefore he knows the urgency to respect the same for a best intercommunication with locals. We are at your disposal for any pre-cultural travel training to understand India.*

## Festivals

Land of colours and ceremonies; attending an Indian festival during Holi, Diwali, Shivaratri, Ganesha Chaturthi or the Great Maha Kumba Mela along with the locals is the best way to experience the Country under his deepest religious side. Travellers will understand the soul of India, the happiness, the fervour for traditions and the religious credo that are still vividly participated in this Country. We let them to assist to the preparation of festivals, wearing traditional clothes and be welcomed by Indians during these occasions. If your tourists desire to experience one of the most original side of India, fix for them an appointment with the astrologist and understand the importance this science and planets influence on daily life. Islamic traditional religious ceremonies and programs to be in direct contact with the Sikh community as well as South Indian festivals are also organized.

Where: **Main cities of India**

## Spirituality

When tourists are willing to discover themselves, to make a shift in their life, to understand the meaning of the world, to feel the soul of the existence and comprehend their place in the world India is the right place with its ancient sciences related to Meditation, Yoga and Ayurveda practices. We ensure the best places to practice their spiritual improvement by combining these ancestral practices to their theory, in order to let them change the perception of their lives, of positive and negative.

Where: **ashrams, yoga traditional centres, monasteries, natural open air environment. All over India**

*The traveller is ready to face spiritual retreats and to live an experience with rules, diet and timings to be respected, he is glad to challenge himself in his personal inner path.*

## Wellness

Wellness is the perfect harmony between body, mind and soul. The ancient tradition of India regarding beauty, wellness and the way to make your body relaxed and healthy in a SPA, with the traditional Indian techniques of massages and therapies will give to travellers the chance to get rejuvenated. Wellness centres are managed by experts who will provide advices and information on the best way to make the body and the mind in a healthy status. Wellness experience can be combined to a yoga and meditation section or retreat to have a total perception of the body and the mind.

Where: **Kerala, Karnataka, Tamil Nadu, Uttarakhand, Himachal Pradesh, Maharashtra and Rajasthan.**

## Education

The Company is dealing with the main international schools and colleges in India since 2009. For Indian Educational Institutes we organize customized tours for students, in addition we are dealing with international colleges for inbound travels. Our offer in this sector is standing in CAS tours, Industrial visits, linguistic programme tours, cultural, archaeological and historical tours International exchanges and accurate programmes for international students in India.

Where: **all over India**

*We are ready to put our expertise and commitment with your schools and colleges*

## MICE

### *Improve Your Business in India*

If your direct clients are Business Companies, we are taking care of them by offering the Incentive experience which will make them understand their professional results and outcomes in terms of efficiency at work, by providing the chance to become more conscious of their personal capacities and their aspirations.

The importance to know colleagues and managers in a Company is focal for the good functionality of the same as well as for a potential improvement of the business. We are offering team building sections and activities which will allow employees and managers to discover weakness and strength of their working team. Locations are accurately selected to match the business of the company with the right ambience accordingly to the purpose of the travel, whether it will be a conference, an event, a cultural tour to discover the partner culture and better understand the way to collaborate together, and incentive voted to motivation and relationship improvement of managers and employees, meetings with partners, participation to business fairs, Industries visits or a promotional travel.

Hotels and accommodation facilities are customized accordingly to the experience requested by the customer company, whether a 5\*, a 3\* hotel or a local range of homestays and alternative accommodations where the company team is asked to challenge himself by being in direct contact with the culture and India.

Where: **all over India**

*Activities and accommodations are customized on clients' requirement and needs. Accommodations are provided with all the needed facilities for conferences, pitch, presentations, brand launch, outdoor activities, product related events or meetings. On request we put at disposal business experts who can drive the customers into their business in India accordingly to their business field by providing a sectorial know-how of their market competence.*

## Archaeology History

History and Archaeology are two fields where India is having its wide range of possibilities. Thanks to his history characterized by several invasions and the antiquity of the country itself, your customers will find an offer in India which will exceed their expectations. We organize programs all over India on the basis of the historical period of interest of your travellers and our experts will provide them all those information that a book can't

## Rural Tours

Rural Tours are part of our *Signature Travels*, our main added value is to offer to travellers the chance to experience the local Indian habitudes, away from the guaranteed comforts of life and tourists masses (please note that these tours are suitable for small groups of tourists or individual travellers), accommodation provided are mainly in homestays and the rural experience can be combined regular with circuits. Tourists will be in contact with locals, by participating to their daily activities (cooking classes, traditional dances and festivals).

Where: **Rajasthan, Meghalaya, Himachal Pradesh, Uttarakhand, Sikkim and Assam, Madhya Pradesh, Maharashtra, Kerala**

*We are proud to contribute in a responsible way to the improvement of Indian rural areas and inhabitants and to develop in this way an eco-sustainable shape of tourism aligned with United Nations directions for the year 2017 on the promotion of sustainable tourism year.*

## Hobby related Tours

Every tour can match with your travellers' hobbies and passions. These *Signature Travels* have the added value to allow the traveller to express his inner aspirations while on holiday, in this way he will be able to understand how his preferred activities can be implemented in India, whether the hobby will be cooking, sculpturing, photography, fishing, bird watching, singing, painting, playing an instrument or needlecraft. We can match his passion by designing a specific tour based on his personal aspiration, because India is a world that can make him discover a further side of travellers' personal desires.

Where: **accordingly to the traveller personal hobby two itineraries in India will be offered on request.**

*Tourists will be flanked and/or driven by professional experts accordingly to the hobby object of the travel program.*

## Life Enrichment Tours

Life Enrichment Tours (LET) are part of the signature travels of ZUBILANT™, along with Rural Tours where the traveller will highlight the simple life as well as interact in a different way with local inhabitants far away from tourist masses, we offer the chance to improve themselves and their relationships with studied programs that will make them be back as another person. LET programs is the perfect combination between travel, games and activities, driven by **expert life coaches**. LET tour section is composed by:

**Family Bonding Retreats** - Family bonding is an extraordinary and innovative concept applied to travels where families perceived as a whole and as a micro community of singular components have the chance to improve themselves personally and under their role into the family unit.

The personal and family related improvement is the outcome of specific activities and teaching sessions where *everyone has the chance to comprehend, compare, listen and literally feel the life of the father, mother or children.*

**Mother and Child** - Specifically designed for young children and for their moms, grandmothers, aunts or another special female adult, Mother & child tours propose to participants to spend time together and enjoy the travel with the purpose of *compare and rediscover themselves through an inner path of love, spiritualism and dialogues.*

**Transformational Tours** - With Transformational tours our *travelers get renewed by participating in mind blogging activities, unwrapping into nature's cradle, spending time with oneself and practicing physical activities, reducing stress and improving self-efficiency, meditating, practicing yoga, interacting and reflecting, role plays and team games.* Examples of our Transformational programs are: Discover Yourself, Back to Roots, The Wonder Years, Freedom beyond Comforts, Son of soil and Footprints of Bapu.
